If you think you have a medical or psychiatric emergency, call 911 or go to the nearest hospital. If you receive emergency care in a non-Plan hospital, please call us at **1-800-225-8883** as soon as your condition is stabilized so that a Kaiser Permanente physician can access your medical information to discuss your care with the treating physician. Your call to obtain authorization for post-stabilization care may also help protect you from financial responsibility.
